Good Morning Captain Addo...

Inga and I have talked about including a letter of support from the Wilshire Division Commanding Officer in the brochure that the Melrose BID is distributing to its property owners in connection with BID Renewal. I drafted a letter similar to those that other Council Offices have signed for similar purposes and forwarded it as an attachment to this email. (It's more difficult for me to draft a letter for you because I'm not as close to your business style.) She told me that this would ultimately find its way to your desk so I thought I'd just email and ask if there is any way to expedite this request. I'm happy to come by the LAPD Office of anywhere else so that we can get our printing process started.

Please feel free to change the draft letter any way you want.

Sorry to be so last minute. Thank you!!
